ON HOLIDAY WITH YOUR LIFELONG COMPANION

-

PET POLICY

Out of respect for our spaces and, above all, for our other guests, we kindly ask you to observe a few rules. While these are second nature to seasoned pet travelers, we feel it is important to remind everyone.

Your stay with us is subject to adherence to these simple guidelines:

- Pets are not allowed in the restaurant, pool area, beach, or to loiter in common areas.
- Pets must be fully registered and up to date with all required vaccination certificates.
- Pets must be well-behaved in public situations and must not disturb other hotel guests.
- Owners are required to clean up after their pets using proper equipment. Please refrain from using any indoor or outdoor areas of the hotel premises for this purpose.
- Pets must always be kept on a leash. Owners assume full liability for any injury or damage to people or property caused by their pets.

This service is available for dogs weighing up to 15 kg and is subject to an additional daily fee.
